

Congratulations

# Canadian Epilepsy Alliance

On the occasion of the 20th Anniversary of the CEA

As the Member of Parliament for Whitby, I am honoured to congratulate the Canadian Epilepsy Alliance on its 20th Anniversary. Thank you for addressing issues of importance to people living with epilepsy and for sharing resources and leveraging partnerships to help improve the overall quality of life for Canadians. The national community of epilepsy organizations you have facilitated has shown remarkable dedication towards the promotion of independence, quality of life, and full community participation for persons living with epilepsy.

Yours sincerely,

**Celina Caesar-Chavannes**
